

Trust your face to an expert.

With a highly specialized practice, Dr. Asaria is one of Toronto's leaders in facial plastic surgery. His approach is characterized by *fastness, natural results.*

Experience counts. Involved in the education of other surgeons, he is a *Faculty Member* at the University of Toronto and serves as an *invited* *Practitioner* for the American Board of Facial Plastic Surgery in Washington D.C.

Visit Dr. Asaria at his state-of-the-art clinic located steps from the hospitals, restaurants and hotels of Yorkville.

Rhinoplasty at FACE Toronto
 Using a specialized rhinoplasty technique, Dr. Asaria corrects the bridge of the nose, the tip, the nostrils, and the overall appearance. The results are natural and long-lasting.

Facelift & Eyelid Surgery at FACE Toronto
 Restoring a youthful appearance is the key to facial plastic surgery. Dr. Asaria uses advanced techniques to lift and tighten the face, restoring a youthful and refreshed look.

Botox & Fillers at FACE Toronto
 It takes a professional and experience to produce the best results. Dr. Asaria uses Botox and fillers to reduce wrinkles, improve skin texture, and add volume to the face, creating a healthy glow.
